

Assembly Instruction for Plastic Easy Access Picnic Bench (2-person assembly recommended)

Basic tools required: Cordless screwdriver/drill-Pozidrive no2 bit, 4mm drill bit, 13mm socket or spanner.

Component List:

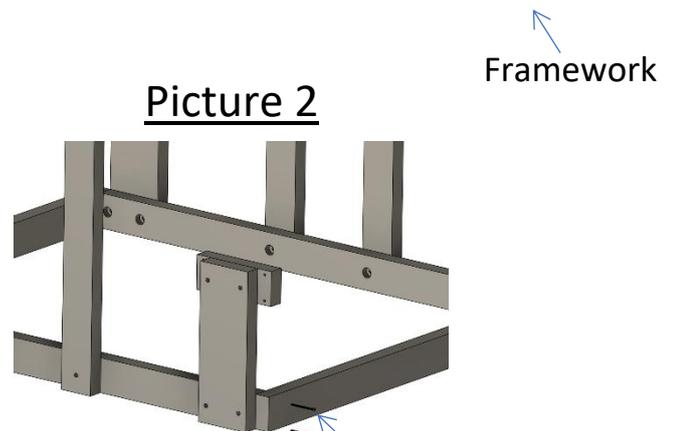

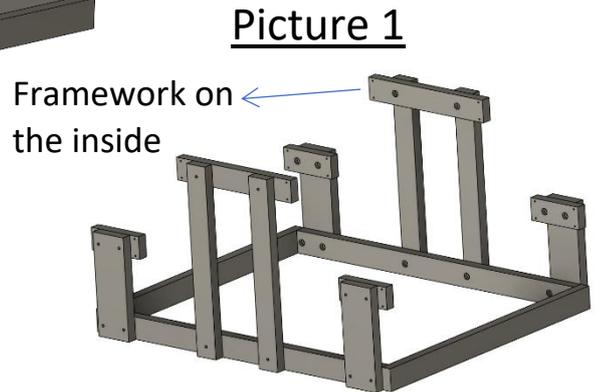

**Fixings List:**

32No 5.0x100mm Screws

1) Check the component list, making sure that you have everything required.

2) Place the two End Frames down and add the framework to the sides so it should look as shown in Picture 1. Once this has been done predrill and screw 2No 5.0x100mm screws into the framework and end frames as shown in Picture 2

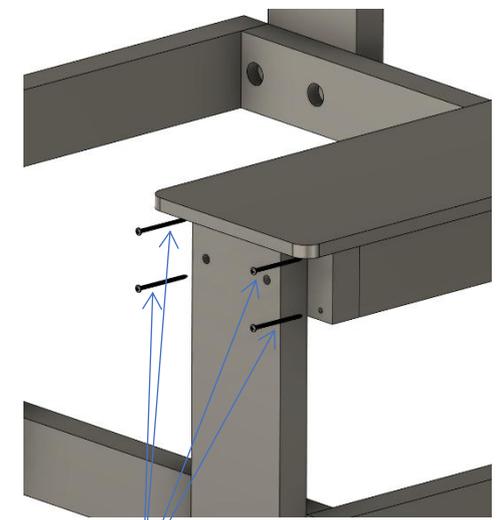

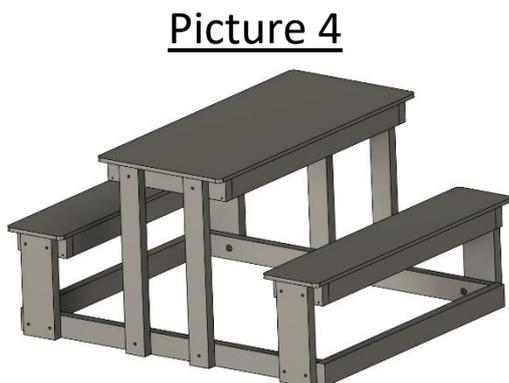

3) Next, place the Seats onto the end frames and screw 5.0x100mm Screws into the predrilled holes on the end frames as shown in Picture 3. Repeat this on the other side of the seat and repeat for both seats. Using the same principle also do this method to secure the table top.
